GUIDELINES FOR AUTHORS

Writing for *Pediatric Nursing*: This journal's purpose is to reflect trends, policies, practice, and research in pediatric nursing. Topics should be timely, controversial, and currently unavailable in the literature. A query letter is requested, including an abstract of the manuscript and the anticipated submission date. Unsolicited manuscripts are welcome, provided that they are for the exclusive use of *Pediatric Nursing* and have not been previously published or accepted for publication, or are under consideration elsewhere. Authors are encouraged to use clear, concise, nondiscriminatory language.

Manuscript Form: Manuscripts should be typewritten, double-spaced, on one side of 8-1/2 x 11 inch white paper; maximum length 20 pages (5,000 words). A cover page should include the manuscript title (10-12 words); authors' names, credentials, and primary affiliations; and the address, telephone numbers, and fax number of the primary author. This page should be followed by a substantive abstract of approximately 125-150 words. The manuscript title should be repeated on the first page of the text.

Photographs can be color or black and white glossy, 5 x 7 or 8 x 10 inches, and of crisp, clear quality. Authors must obtain all required permission to use tables or figures from other sources prior to publication.

References: References, photographs, tables, and all other details of style must conform with the *Publication Manual of the American Psychological Association* (APA, 6th ed., 2010). All references in text should be cited by author and date, for example, (Doe & Brown, 2010). List all references in alphabetical order. Only use references that are actually cited within the text. Authors are encouraged to provide the digital object identifier (DOI) number for all references when possible directly after the citation.

Citing multiple authors: In-text citations with six or more authors should include the first author followed by et al., even in the first citation.

In the list of References, if there are eight authors or more, list the first six, then three ellipses, then the last author. If there are seven authors, list all seven. Sample references are shown below:

Review Process: Receipt of manuscript is acknowledged by the editorial coordinator. *Pediatric Nursing* is a refereed journal; therefore, each manuscript is reviewed by members of the Manuscript Review Panel as well as the editors. Because manuscripts are reviewed blind (authors anonymous), names of authors should appear **only** on the cover page. Decisions regarding acceptance for publication are based on the recommendations of the referees.

Editing: *Pediatric Nursing* reserves the right to edit all manuscripts according to its style and space requirements and to clarify content. Edited copy will be returned for the primary author's approval.

Publication: Authors will be notified of a manuscript's acceptance usually within 12 weeks of receipt, with publication in the next available issue. Manuscripts not accepted for publication will not be returned to the authors. Authors may purchase reprints of their articles at the time of publication. All authors of published articles will receive 10 complimentary copies (to be distributed to any co-authors) in appreciation of their work.

Disk Submission: Authors of all manuscripts are asked to submit a disk along with 2 hard copies of their initial submission prior to review. E-mail attachments are also acceptable by submitting to Editorial Coordinator Joe Tonzelli at Tonzellj@ajj.com, if followed by 2 hard copies via mail to: Editor, *Pediatric Nursing*, East Holly Avenue/Box 56, Pitman, NJ 08071-0056; Fax (856) 589-7463. The Journal will accept both IBM and Macintosh format disks. Most IBM and Macintosh wordprocessor files are acceptable for submission to the Journal.

Copyright: Copyright on all published articles will be held by *Pediatric Nursing*. Each author of a submitted manuscript signs a statement expressly transferring copyright in the event the paper is published. This form will be sent by the editor when receipt of the manuscript is acknowledged. Authorization to photocopy items for internal or personal use, classroom use, or the internal or personal use of specific clients, is granted by Jannetti Publications, Inc., provided the appropriate fee is paid directly to Copyright Clearance Center, 222 Rosewood Drive, Danvers, MA 01923, USA; (978) 750-8400. For those organizations that have been granted a photocopy license by CCC, a separate system of payment has been arranged. Special arrangements for permission are required from the publisher for any other purpose.
